

Seminar/ Workshops Done By Centre For Environment in the Month of August & September 2011

1. “Human Rights and Climate Change” 31st August.

Resource Person: Neelam Gulati

Program Coordinator: Vandana Jain

Classes: MBA,MCA, ICWA

Human rights are universal basic rights and freedoms which all humans are entitled to, including civil, political, economic, social and cultural rights entailing such rights as right to life, liberty, freedom of expression, to worship, to own property, to be treated equally before the law, to family, to education, to culture, to health, to subsistence etc. Human rights being universal and fundamental, states and all humans have obligation to prevent violations of these rights. However, Global warming/Climate Change has been threatening all human rights which are designed to prevent destruction of life, health, property, livelihood, culture, means of subsistence, residence, movement etc.

2. “Zindagi Naa Milegi Dobaara” 10th Sept.
