

### **Workshop on Ethical Hacking & Cyber Forensics at DAVIM , Faridabad.**

MCA department of DAV Institute of Management, Faridabad organized a workshop on Ethical Hacking & Cyber Forensics on 17<sup>th</sup> & 18<sup>th</sup> September 2011 at their own premises. This workshop was conducted in collaboration with IEEE & YMCA University of Science and Technology. Topics like Ethical Hacking: Legal or illegal, E-mails: exploitation and Security, Operating system Hacking and Security, Mobile Hacking and managing network security etc. were covered in two days workshop. This workshop was a great success. 100 students from MCA, BCA and BSc(Computer Science) attended this workshop along with 8 faculty members. The students were awarded the certificate for certification in Information Security Specialist.
