SEMINAR ON DISASTER MANAGEMENT

DAV Institute of Management, Faridabad organized a seminar on "Disaster Management" on 1st October 2015. The programme started with welcome and tilak of Honorable guest Smt. Seema Trikha, MLA of Badkhal Vidhan Sabha constituency and Mr. Neeraj Singh (HOD- Disaster Management, DAV College, Faridabad). Smt. Seema Trikha said that in Faridabad, Badkhal Lake was once a large lake where boating & other tourist activities took place. But now the lake is almost completely dried up to leave only grassy terrain in its place.

Certain mines surrounding the lake are also responsible for blocking the flow of water to the lake.

A number of mineral water companies are also responsible for lessening of the water level. She motivated the students and the faculty of DAVIM to launch a demand on C.M. window for the revival of the Badkhal Lake. Dr. Neelam Gulati, stressed upon the need to maintain the Environment and suggested ways to manage lives when any kind of disaster occurs. The seminar was organized by the team of young DAVIM faculty viz. Ms. Monika Khatri, Ms. Shobha Bhatia, Ms. Poonam Singh, Ms. Bhumika, Ms Kanika and Ms. Deepika Pahuja.

The students of DAVIM gave presentations on various topics which were judged by Dr. Neeraj Singh, Dr. Sunita Bishnoi, Dr. Anjali Ahuja and Dr. Ruchi Malhotra. The competition was won by students of UG course of DAVIM.

INTER COLLEGE DEBATE COMPETITION BY POWER GRID
